Dear Readers,

We are proud to announce the winners of *National Law Journal's* ninth annual Best of the Midwest survey. This is a special supplement developed by the business arm of *National Law Journal*.

This section provides the results of our annual reader rankings survey. We have listed the top three ranking companies for each category, as voted on by our readers. We are continuously looking to improve our Best of issue. If you see a category we missed or a vendor we should include next year, please send us your thoughts on how we can improve so that Best of will continue to be your go-to guide.

We thank everyone that took the time to vote. Congratulations to all of our 2023 winners!

All the best,

Carlos Curbelo
Vice President, Legal Market Leader
